Offering Art Classes Fall, 2011:

Basic Design I-Relationships within the frame

- Learn the elements and principles of design
- Learn to support content in your 2-D work.
- Learn to work in a sketchbook to develop ideas.
- Learn to add impact to your work.

Basic Design II-Color Theory

Based on the color theory of Johannes Itten, this class will awaken your ability with color. Painting exercises with casein paint will lead you to integrate color contrasts and color harmonies. You will develop an understanding of the difference between intensity and value and how to manage color relationships.
